Can you sell your house if you have a reverse mortgage?

Reverse Mortgage · https://reversemortgageresourcecenter.com/faqs/can-you-sell-your-house-if-you-have-a-reverse-mortgage/

Yes, you can sell your house if you have a reverse mortgage. The proceeds from the sale will be used to pay off the loan balance and any additional costs associated with the sale of the home. You will keep any remaining equity in the property after all obligations are met.
