How much can a 70 year old borrow on a reverse mortgage?

Reverse Mortgage · https://reversemortgageresourcecenter.com/faqs/how-much-can-a-70-year-old-borrow-on-a-reverse-mortgage/

The amount a 70-year-old can borrow on a reverse mortgage will depend on the lender and the senior's specific situation. Generally, the maximum loan amount is based on the age of the youngest borrower, their home's value, and current interest rates. The older the borrower, the higher the loan amount they may be eligible for.
