What disqualifies you from getting a reverse mortgage?

Reverse Mortgage · https://reversemortgageresourcecenter.com/faqs/what-disqualifies-you-from-getting-a-reverse-mortgage/

Generally, you must be at least 62 years old and have significant equity in your home to qualify for a reverse mortgage. You must also be able to pay ongoing property taxes, insurance, and other related costs. Other disqualifying factors include having a delinquent federal debt, recent foreclosure or other deragatory mortgage related debt, or not occupying the home as your primary residence.
