Who is responsible for repairs on a reverse mortgage?

Reverse Mortgage · https://reversemortgageresourcecenter.com/faqs/who-is-responsible-for-repairs-on-a-reverse-mortgage/

The homeowner is responsible for the general maintenance and upkeep of the property, including any needed repairs. The lender may be able to provide resources or guidance with certain repairs, but the homeowner, not the lender, is responsible for making sure the home is maintained and stays in good condition.
